

CHECK RELAY

Eliminate the “check’s in the mail” excuse by accepting your check payments by phone, fax, Web or IVR!

CalliPay

a division of Callitechnic, LLC
32751 Middlebelt Road,
Suite 100
Farmington Hills, MI 48334

Phone: 888-882-9204
Fax: 248-855-5292
Email: info@callipay.com

“Check Relay,” CalliPay’s flagship product, will expedite your payment by placing the check immediately in your hands!

Stop waiting for payments to come in the mail, or accept ‘late’ excuses - Use Check Relay instead!

Just enter the required information and when you’re ready, print it and deposit the payment the same day. It’s that simple!

Check Relay is a complete payment system - it lets you accept, verify, track, manage, and print all your payments using one central platform over the web. It even integrates with your existing systems and databases for automatic posting and reconciliation - free of charge!

Features & Benefits:

- Accept payments by web, IVR, phone, or fax
- Nothing to buy, install, or maintain
- One central platform integrates all your payment acceptance and management needs online
- Real-time check verification
- Online reporting tools to track and manage your payments
- Scalable—supports unlimited number of users, anywhere, all the time
- Free product training and customer support
- Post-date letter services available for an additional charge
