

# EXPEDITED RETURNS

*Receive notification of any returned checks within five business days, and eliminate return check fees from your bank!*

Tired of receiving returned checks from your bank? Paying too much in returned check fees and handling too much paper? Is your bank taking too long to process your returned items?

CalliPay can show you a better way to manage your check returns using Expedited Returns.

It's a service that offers you faster handling of your returned items, and converts all your paper transactions to electronic format for faster and more efficient processing.

Contact us today to find out how this low-cost service can benefit you!

#### **Features & Benefits:**

- Faster Notification - within five business days
- Online database of returned checks integrates with the Unified Payment Portal
- Electronic images of your returned checks—no paper!
- Lower transaction costs associated with your returned items, and
- The flexibility to choose a course of action for your returns

With Expedited Returns, you can take advantage of powerful options like:

- Timed electronic re-presentments
- Electronically collect returned check fees, or
- Send your returned checks to a CalliPay bad-check collection partner for servicing
